Sir:

Applicant hereby petitions for a review of the Notice of Incomplete Non-Provisional Application (The Notice), mailed by the United States Patent and Trademark Office, on August 23, 2004. The Notice indicates that the application was submitted without drawings and without a declaration. Pursuant to 37 C.F.R. 1.53(e)(2), Applicant submits herewith a check in the amount of \$130.00, which is the petition fee required by 37 C.F.R. 1.17(h). Applicant contends that the Application was properly submitted and should be afforded a filing date of September 25, 2003. In support thereof, the Attorney for the Applicant states the following:

1. On September 25, 2003, the subject Application was deposited with the United States Post Office utilizing express mail, as evidenced by a copy of a transmittal letter, identified as Exhibit 'A', attached hereto and made a part hereof;
2. The document identified as Exhibit 'A' was assigned mailing number EV 270178650 US;
3. The Application mailing included a return addressed postcard receipt, a copy of which is identified as Exhibit 'B', attached hereto and made a part hereof;

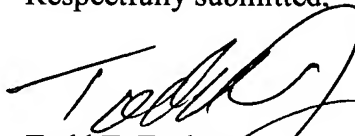

4. The postcard, identified as Exhibit 'B' was received by the United States Patent and Trademark Office as evidence by the USPTO sticker identified by Serial No. 10/670,588 dated September 25, 2003;
5. The postcard receipt (Exhibit 'B') specifies each and every paper being filed, including five sheets of drawings and an executed declaration;
6. A copy of the five sheets of drawings originally submitted with the application is identified as Exhibit 'C', and is attached hereto and made a part hereof;
7. A copy of the executed declaration originally submitted with the application is identified as Exhibit 'D', and is attached hereto and made a part hereof.
8. A new declaration identifying the present application by serial number and filing date is not required since this application was filed as a continuation under 37 CFR 1.53(b), and a copy of the declaration from the parent application was included.

WHEREFORE, Applicant respectfully petitions that the subject Application be afforded the filing date of September 25, 2003, that the five sheets of drawings attached hereto as Exhibit C and the executed declaration attached hereto as Exhibit 'D' be placed with the other papers of the Application and that the petition fee in the amount of \$130.00 be refunded to the Applicant.

In the event Applicant has overlooked the need for an extension of time, an additional extension of time, payment of fee, or additional payment of fee, Applicant hereby conditionally petitions therefor and authorizes that any charges be made to Deposit Account No. 20-0095, TAYLOR & AUST, P.C.

Should any question concerning any of the foregoing arise, the Examiner is invited to telephone the undersigned at (260) 897-3400.

Respectfully submitted,
